

# YOUNG DECISION MAKERS

EVERYONE HAS A ROLE...

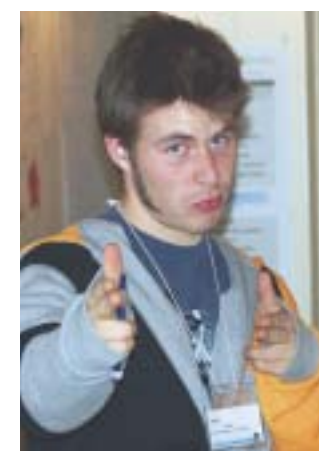

## YOUTH

Young people UNDER the age of 18 are encouraged to participate in activities where decisions are made. No topic is taboo. Young people exercise their right to participate.

## YOUNG ADULTS

A self-identified group of young people age 18 or older who believe that they have the expertise and passion to play a mentoring and supporting role to youth for their success!

## ADULT ALLIES

Adult partners who believe in the power and creativity of youth are invaluable resources. They are willing to share power and understand that there is a lot to learn from young people.
